Cells for your Bioassay?**

**Turn your Cells into
Reagents!**

assay ready instaCELLs

the smart way of cell supply

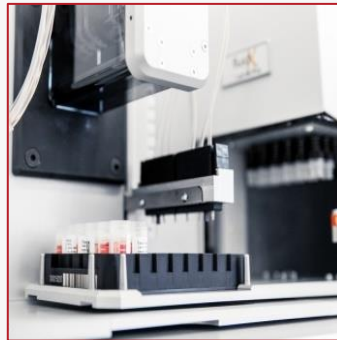

- Ready to use like a reagent.
- Saves laboratory resources.
- Increases assay precision.
- Provides better flexibility.
- Reduces assay lead time.
- Improves method transfer.

- Master, Working, & assay ready instaCELL banks.
- Upto 1.000 vials in custom aliquots.
- Comprehensive process documentation.
- Controlled storage. Free inventory software.
- Global distribution to affiliates & partners.
