

KNOWLEDGE SHARING AND CAPACITY BUILDING

- Great *progress in the HOS technologies space*: pushing new frontiers of IR spectroscopy (traditional and MMS), scattering, and mass photometry.
- There are still *unresolved long-standing challenges* for established modalities.
- Novel modalities *present new challenges and offer opportunities* to influence regulatory landscape.
- Diversity and inclusion make for a *stronger community and better science*.

HOS 2024 BY THE NUMBERS

First-Time Attendees

32

Regulators Participated
